[THE REST OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

6. DISCLOSURE AND REVIEW PROCEDURES FOR RRPT

Disclosure will be made in the Integrated Report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year.

To ensure that the RRPT are undertaken on transaction prices and terms not more favourable to the related parties than those generally available to the public; are not to the detriment to the minority shareholders; are conducted at arm's length; and based on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to shareholders, the Group has established the following review procedures:-

- I. The identity of the Related Party is disclosed/circulated within the Group and at the same time, the Related Party is notified that all Recurrent Related Party Transactions are required to be taken on arms' length basis and on normal commercial terms not more favourable to the Related Party than those generally available to the public;
- II. All Recurrent Related Party Transactions will be reviewed by the Audit Committee and reported to the Board to ensure that the transactions are not more favourable to the Related Party and will not be detrimental to the minority shareholders;
- III. There are no specific thresholds for approval of RRPT within D&O Group. D&O Group's major operating subsidiary having a standard operating procedure to ensure every transaction is undertaken on an arm's length basis and on normal commercial terms. This includes the Recurrent RPT under proposed mandate for the purchase of chips or dies from Epistar is subject to the approval of Material Planning Manager and Purchasing Manager according to the production need;
- IV. Records will be maintained by the Company to capture all RRPTs which are entered into pursuant to the shareholders' mandate;
- V. The transactions prices are determined by the prevailing market rates/prices that are agreed upon under similar commercial terms for transactions with third parties, business practices and policies and on terms which are generally in line with industry norms;
- VI. The Board and the Audit Committee will have overall responsibility for the determination of the review procedures, including addition of new review procedures, as and when necessary. The Board and the Audit Committee may also appoint individuals and committees to examine the Recurrent RPT, as they deem appropriate. If a member of the Board or the Audit Committee has an interest, direct or indirect, in any particular transactions, he or she will abstain from any deliberation and voting on the matter at the Board or Audit Committee meetings in respect of such transactions; and
- VII. At least 2 other transactions with unrelated third parties for similar products/services and/or quantities will be used as a comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the D&O Group based on the usual business practices and policies to ensure that the Recurrent RPT are not detrimental to the D&O Group.

7. STATEMENT BY AUDIT COMMITTEE

The Audit Committee has reviewed the procedures described in Section 6 and is satisfied that the above procedures are sufficient to ensure that Recurrent Related Party Transactions are made at arm's length and are carried out on normal commercial terms of the Group not more favourable to the related parties than those generally available to the public and are not detrimental to the minority shareholders.

The Audit Committee is also of the view that the Group has in place adequate procedures and processes to monitor, track and identify the Recurrent Related Party Transactions in a timely and orderly manner. These procedures and processes are reviewed every quarter with the review of quarterly results.

8. RATIONALE FOR AND BENEFIT OF THE PROPOSAL

The Recurrent RPT which is to be entered into by the Group is in the ordinary course of business. The Recurrent RPTs are conducted at arm's length, on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. It is envisaged that in the normal course of their business, transactions between companies in the Group and the Related Parties are likely to occur from time to time and it may be impractical to make the requisite announcement to the Bursa Securities or to seek shareholders' approval on a case-to-case basis before entering into such Recurrent Related Party Transactions.

The Recurrent RPT is entered on terms which are beneficial to the Group:

Supply of Chips or Dies manufactured by Epistar (as per No. 1 of Section 4 above)

Prices from Epistar are generally lower or more competitive. Epistar provides fast and priority response to Dominant Malaysia's orders.

With the Proposed Renewal Shareholders' Mandate in place, the Company would not be required to make the requisite announcement to the Bursa Securities or to convene separate general meeting to seek shareholders' approval as and when RRPT occur. This would substantially reduce administrative time, inconvenience and expenses associated with the release of such announcements or the convening of such meetings on an ad-hoc basis, and allow manpower resources and time to be channelled towards attaining corporate objectives.

9. CONDITION TO THE PROPOSED RENEWAL SHAREHOLDERS' MANDATE

The Proposed Renewal Shareholders' Mandate is subject to the approval from the shareholders of the Company at the 21st AGM. The Proposal once being procured is subject to annual renewal.

10. EFFECTS OF THE PROPOSAL

The Proposed Renewal Shareholders' Mandate will not have any effect on the earnings per share, NA per share, share capital and major shareholders of the D&O Group for the financial year ending 31 December 2025.

11. APPROVALS REQUIRED

The Proposed Renewal Shareholders' Mandate is subject to your approval at our forthcoming 21st AGM.

12. INTERESTS OF DIRECTORS, MAJOR SHAREHOLDERS AND THEIR CONNECTED PERSONS

Apart from Epistar as a major shareholder of Dominant Malaysia, none of the directors, major shareholders and/or person connect to them have any interest, direct or indirect, in the Proposal.

13. DIRECTORS' RECOMMENDATION
